ABOUT THE WOMEN’S ASSOCIATION OF MORRISTOWN MEDICAL CENTER

Founded in March 1893 to provide financial support to Morristown Medical Center, part of the Atlantic Health System, the Women’s Association of Morristown Medical Center (WAMMC) helps enable the hospital to respond to the changing healthcare needs of the community. With a volunteer base of over 700 members, WAMMC orchestrates and hosts a number of high-quality fundraising events, anchored by the Association’s flagship event, Mansion in May—a designer show house open to the public every other year. WAMMC also operates several free-standing, revenue-producing entities, including the hospital’s gift shops and The Bargain Box Thrift Boutique. WAMMC, one of the largest contributors to the Foundation for Morristown Medical Center, is an integral part of the hospital’s ability to continue bringing cutting-edge technology and superior health care services to the community, and has raised nearly \$25 million to date in support of this mission.
